erik spiekermann stop stealing
pdf - Sentence spacing is the
horizontal space between
sentences in typeset text. It is a
matter of typographical
convention. Since the
introduction of movable-type
printing in Europe, various
sentence spacing conventions
have been used in languages with
a Latin alphabet. Sentence
spacing - Wikipedia - Univers
(French pronunciation:) is the
name of a large sans-serif
typeface family designed by
Adrian Frutiger and released by
his employer Deberny & Peignot
in 1957. ... Univers - Wikipedia -
